

Dale County Commission

Commission Emergency Meeting Minutes – March 17, 2021

An emergency meeting was called by the chairman for 2:30 on March 17, 2021 due to information from EMA and national weather service just received that a potentially dangerous storm was rapidly approaching the Dale county area and could contain the likelihood of tornadoes. It was determined by the Chairman with consultation from some commissioners that a quorum at the called meeting was not possible. Therefore, the meeting was cancelled and the chairman took action to delay opening of county buildings and operations until 9:00 am on March 18 pursuant to the commission's previous resolution authorizing same.
